arguments are well supported with a wide selection of quotes from relevant studies on the subject so that it provides a rich overview of the variety of implications that film violence can have. As such it is vastly informative and educational. insightful Film genre Wikipedia. Similarly while art films are referred to as a genre by film scholar David Bordwell who states that art cinema itself is a film genre with its own distinct conventions an art film can be in a number of genres e.g. drama, experimental film, black comedy, etc. Film Genre Amazon.co.uk Rick Altman Books Synopsis. This text seeks to revise notions of film genre. It connects the roles played by industry critics and audiences in making and re-making genre. In a critique of major voices in the history of genre theory from Aristotle to Wittgenstein Altman reveals the conflicting stakes for which
